With operations in 22 countries, 61% of our business is conducted out of France.

We distribute a complete range of consumer credit products:

direct sale,
point-of-sale financing (home equipment, vehicle markets, ...),
partnerships with major retail brand and institutions; as a subsidiary of the Crédit Agricole S.A., we share our skills with the Group's banking network to build up their consumer credit business,
insurances
brokerage

Pioneer on the internet channel
Since the end of the nineties, Crédit Agricole Consumer Finance takes up the Internet challenge: in 1997, first company to launch a consumer credit distribution website, in 2001 the launching immediate pre-acceptance online, in 2006 the launch of the ReceivedAndPay solution, in 2007 the launch of the electronic certification.
